PUBLIC MEETING - South East London Stand Up to Racism - LARAG

There is a growing campaign against refugees and Muslims both in the UK and across Europe.

This is further promoted by the government sponsored Prevent programme which encourages spying on and intimidation of often very young Muslims still at school.

Cameron’s latest statement has further increased the pressure on Muslim communities, effectively branding them and all refugees as “the enemy within”.

Stand Up to Racism in South East London say its time to call a halt to this increasingly hysterical and disturbing campaign.

With others, we have raised thousands of pounds, delivered by delegation to the refugee camp in Calais, and built mass demonstrations to say ‘refugees welcome here’, ‘no to Islamophobia’!

Join us to discuss these important issues and get involved. All welcome!
