

Winter Appeal: Don't let them freeze

Solidarity with refugees and migrants in Calais

WE STAND IN SOLIDARITY with the refugees and migrants who have gathered in Northern France seeking to enter Britain.

Stand Up To Racism will be

taking a delegation to Calais on 10 December to highlight the severe winter conditions refugees are living in, the damage wrought by the demolition of the camps – and

to take over much needed winter packages.

We are asking people to donate, collect cash at work, at their union branches and elsewhere.
