## No to racism: Oppose Tommy Robinson & the DFLA

n Sunday 6 May, fascist EDL founder Tommy Robinson and the racist 'Democratic' Football Lads Alliance (DFLA) have organised a so-called 'day of freedom' for racists and Islamophobes in London.

Across Europe racist and fascist organisations are receiving growing

support at a level not seen since the 1930s. Robinson & Co are seeking to use Islamophobia as a way of rebuilding the far right movement in Britain.

Tommy Robinson is a notorious racist who founded the far-right English Defence League, and has links with fascist organisations. He has associated with

alt-right organisations, and racists like Katie Hopkins. Robinson, the DFLA and their supporters want to come to London to spread racism and Islamophobia. They plan to hold a rally at **Speakers' Corner**.

I pledge my support for the protest Stand Up To Racism and Unite Against Fascism have called to oppose them.
