

Oppose the racist and fascist march for Tommy Robinson

**Saturday
9 June,
2pm**

Assemble:
Downing Street,
London
SW1A 2AA

Not to be flyposted

SUPPORTERS OF FASCIST and English Defence League founder Tommy Robinson have said they will march in London on Saturday 9 June.

Robinson and his supporters have a history of racism and Islamophobia, and have many links to fascist organisations.

Before leading the EDL, Robinson was in the fascist British National Party.

They want to use the fact that Robinson has been jailed (for contempt of court)

as an excuse to spread their racism and hate.

Unite Against Fascism and Stand Up to Racism have called a counter protest on the day.

Please circulate and share widely. Invite all of your friends and fellow anti racists.

On the day, bring trade union and community banners. For further details go to the facebook event page: 'Oppose far right march for Tommy Robinson'
