

From Donald Trump to Tommy Robinson...

HOW CAN WE STOP THE RISE OF THE RACIST RIGHT?

Date & Time:

Venue:

Donald Trump is visiting Britain on Friday 13 July - and will be met by mass protests.

He is fast becoming the world's number 1 racist, from the Muslim ban to his smearing Mexican's as rapists. But his outspoken racism, sexism and homophobia have inspired bigots here as well.

We have recently seen far right forces in Britain

gather around Tommy Robinson and the Football Lads Alliance, with up to 15,000 marching in London to 'Free Tommy Robinson'.

Nazi salutes, violence and racist abuse have been at the heart of their demos.

Join this open meeting to discuss how we can mobilise against Trump and the racist right here in Britain.
