Re: **NOTICE OF INTENT – THIS IS NOT A DECISION LETTER**

I am writing to inform you about how your protection claim is being managed.

We have evidence that before you claimed asylum in the United Kingdom, you were present in or had a connection to . This may have consequences for whether your claim is admitted to the UK asylum system.

We will review your particular circumstances and the evidence in your case and consider whether it is reasonable to have expected you to have claimed protection in  (or to have remained there if you had already claimed or been granted protection), and whether we should consider removing you there or elsewhere.

If your claim is declared inadmissible, we will not ask you about your reasons for claiming protection or make a decision on the facts of your protection claim.

We have a specific phone number to help people in detention centres. Please memorise this number and call if you are in a detention centre and need help: **0800 009 6268**
