

CARE 4 CALAIS

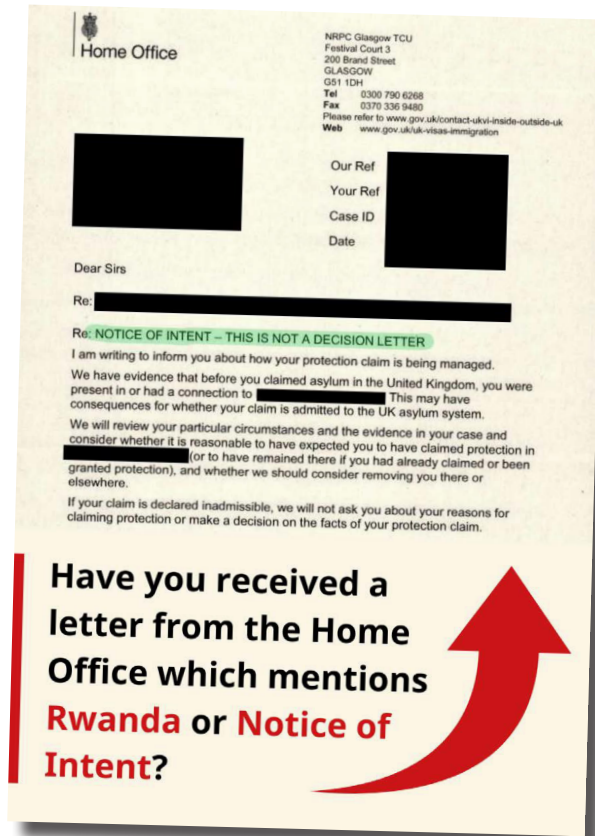

We would like to speak to anyone who has received a letter from the Home Office after 1st March 2024 which mentions Rwanda or Notice of Intent (see picture).

If you have received one of these, please send a Whatsapp message including your full name and a photo of the letter to **+44 7519 773268**

We have a specific phone number to help people in detention centres. Please memorise this number and call if you are in a detention centre and need help: **0800 009 6268**

It is recommended to memorise or write the number on your person in case you are detained and your phone is taken.

It could be helpful to pass on to a supporter your name (as it is spelled on Home Office documents), your port reference number, and date of birth. This means if you don't return from your appointment, supporters can pass your details to Care4Calais who can track you and get you legal support

Advice for supporters

Care4Calais (C4C) has provided advice for protests and providing support and solidarity to refugees attending their appointments since Sunak's shock detention raids operation announcement.

At reporting centres: make sure anyone reporting knows the C4C number **08000096268** or has it written on paper or on their body. When detained they should call it asap.

If people are able to take the name (as it is spelled on their Home Office docs), date of birth and port ref number, this would be

great. Then monitor if they do not return. If they don't return then please contact Care4Calais or **info@standuptoracism.org.uk**

The detention number goes directly to Care4Calais caseworkers who will take details and then connect the caller with a lawyer.

When photographing/filming the protest make sure the faces of people claiming asylum are not included.

If you're not already linked into the broadcast What's App group, contact **info@standuptoracism.org.uk** to get the details.
